

Libero Massimo Candreva graduated cum laude in 1984 with a degree in Economics and Business Administration at the University La Sapienza in Rome, and in 1985 he was awarded a scholarship by Yale University. He is Member of Chartered Accountants since 1992 and from 1996 is a founding partner of CMS, a tax and corporate consulting firm.

He began his career with Arthur Young & Co. as a financial auditor. He has thirty years' experience as a consultant in business and subsidized financing. As an expert in corporate reorganization and auditing, as well as in planning ordinary and extraordinary operations, he has carried out consultancy activities, for the development of communication and fundraising projects, including the strategic analysis and business plan. He has followed the development and implementation of projects funded through European, national and regional calls. Furthermore, he has acted as a consultant to public and private organizations in the area of European funds, internationalization of companies, as well as the development of a territory.

In addition to his current role as Partner of CMS, he also holds the following positions in private and public companies: from 2015 he is guest lecturer (Docente a Contratto Master Universitario) at the Tor Vergata University in Rome and from 2017 he is CEO of EP Systems Spa (an investee company by Lazio Region and AMA), from 2019 he is the General Director of the European Brain Research Institute (EBRI) 'Rita Levi-Montalcini'. He has published articles on tax laws in various newspapers and magazines.

Dr. Candreva is also Chairman of the Board of Statutory Auditor, standing auditor and Chairman of the Supervisory Board in major national companies including:
